SATYAM FASHION INSTITUTE

INSTITUTIONAL DISTINCTIVENESS

The institute is imparting education to women from all segments of life following its mission of Women Empowerment. It helps women to develop knowledge of design related areas and groom them for professional careers. Therefore, the institute is always geared to add to the national development of the country by imparting value education to the most important segment of the society. It is visualized that the women students then could become intellectually resourceful, morally upright, socially committed and spiritually inspired with the consciousness of the dignity of womanhood and their rightful place in the society sufficiently empowered to encounter the challenges of the present day society. To nurture a self-sustainable environment in the design industry for women and create a center of excellence. We believe in making overall advancement in our country by making Indian women self reliant and independent through developing entrepreneurial skills and providing them education.

The goal in view is an education that transforms young women and equips them to face challenges in their personal and professional lives: the college endeavors to maintain a learning atmosphere that reinforces the ideals of professional competence and social commitment and to make them competent, self reliant, employable and service oriented with love and faith and with the futuristic perspective of social transformation, ecological, national and global consciousness.

The academic programmes, co-curricular and extra-curricular activities are designed meticulously so as to reflect the vision and mission of the college, focusing on the empowerment of women and the first generation learners maintaining high academic standards to provide appropriate knowledge and skills to the students to meet the fast changing needs of the society. Industry visits are arranged for faculty to update themselves on latest developments. The institute organizes review meeting regularly in which industry people of different domains are invited to review the research works carried out by the faculty. The proximity of the college to industry in Noida creates a unique opportunity for collaboration and an ability to address market behavior. Regular field trips along with lectures and seminars by visiting designers, industrialists, manufacturers and artists broaden student's awareness of the design field. Students have an opportunity to develop ties with the professional design community through visits to exhibitions and fairs.
