IQAC Cell ACTION TAKEN REPORT (2022-23)

Sr. No.	PLAN OF ACTION	ACTION TAKEN (at the end of year)
1	To strengthen the Green initiatives in the institute	<p>The mission of SFI is to provide our students with a practical education that will raise their awareness of environmental issues and the need for a healthy future. Green initiatives were implemented on campus by enacting policies such as-</p> <p>Energy Policy: The organization has consciously worked to lower its energy usage. To gather sustainable energy, a 40 KW solar panel system is in use since 2018. Apart from that, LED lights have been used. Continuously students are taught by their teachers to turn off the lights when not in use and are encouraged to do so.</p> <p>Water Policy- The goals of SFI's water conservation activities include ensuring water supply, conserving energy, and conserving habitat. any reduction that reduces resource waste, water use, or loss. Keeping the purity of the water safe. The campus also has an initiative for rainwater harvesting tanks.</p> <p>Green Practices- In order to develop recycled and reused goods, teachers at the SFI campus are teaching students how to make things out of paper, fabric, and any other waste material continuously. Additionally, more trees were planted on campus, outside of classrooms, and environment day was observed to promote the habit of conserving the environment by avoiding the use of plastic. Departmental competitions were held to encourage students to be more environmentally conscious and interested in keeping the campus green as a long-term practice.</p>

		<p>Waste policy- The institute has made a concerted effort to split the bins into three categories for the sake of the environment: recyclable garbage, kitchen waste, and non-biodegradable waste. Scrap laptops, printers, smart phones, and other electronic devices will be sold to authorize recycling merchants. A hierarchical strategy to waste management is used by reducing, reusing, and Recycling.</p>
2	To encourage a culture of research in academia and among students	<p>The Journal "Design Quest," published biannually by Satyam Fashion Institute. The Quality of Education and Research at the Institute is being enhanced in the field of research with the support of this initiative. Additionally, the standard of research papers they write during their graduation year and the promotion of outside research to advance new design methodologies in academia and business.</p>
3	To enhance the organization's standards (AAA) for academic and administrative operations	<p>Satyam Fashion Audit Committee formed a three-member committee to perform an Academic Audit of the college. The Audit Committee was composed of the External Members. The goal of an academic audit is to urge departments or programmes to examine their "education quality processes"-the core faculty activities required to develop, ensure, and continuously enhance the quality of teaching and learning. AAA is conducted on a regular basis yearly. AAA conducted on 29th August 2022 by the External Audit Committee Dr. Nalini Patil, Dean (Addl. Charge), Faculty of Interdisciplinary Studies, Principal, SNTD College Of Education, Maharshi Karve Vidya Vihar, Karve Road, Pune, Dr. Nidhi Sisodia, Department of Chemical Quality and Research & Development, NITRA, Uttar Pradesh & Dr. Archana Jain, Department of Home Science, Vivekananda College, University of Delhi.</p> <p>The team visit was intended to assess and appreciate along with some suggestions which were given for further improvement in the Institute. The audit team congratulated the Satyam team for its efforts towards best teaching practice, using ICT in education, Faculty Development Programmes organized on regular basis, Infrastructural improvements, Internship & Placements Programme, quality of Teaching and motivation of students entrepreneur by providing platform ABHIVYAKTI.
