## Feedback Analysis & Interpretation Parents Satisfaction Survey Report 2024-2025

Satyam Fashion Institute, Noida conducted an institutional Parent Satisfaction Survey for the academic year 2024–2025 to evaluate parents' perspectives on the quality of education and the academic and non-academic facilities provided to their wards. The survey aims to gauge parental satisfaction levels, identify strengths, and highlight areas for improvement to further enhance the academic environment and support services.

### FEEDBACK ANALYSIS

The insights collected through the survey will guide the institute in strengthening academic programs, improving support services, and enriching the overall student experience.

### STRENGTHS

A majority of parents expressed satisfaction with the campus ambience and the facilities offered to their wards.

- Over 80% of parents appreciated the exposure provided through cultural and sports activities, workshops, guest lectures, and other events.
- More than 80% were highly satisfied with the personal and professional development activities integrated into the curriculum, along with the value-added courses.
- Parents acknowledged the effectiveness of value-added courses in enhancing students' communication, behavioral, and analytical skills.

Noida- 201309

- Over 90% of parents expressed strong satisfaction with the regular mentoring and performance monitoring of students.
- More than 60% felt that the course significantly contributed to the improvement of students' soft skills and overall growth.
- Parents appreciated the institute's focus on student safety, CCTV surveillance, and disciplined environment.
- Faculty behavior and approachability were highly appreciated.
- Parents liked the use of digital tools, smart classrooms, and updated labs.
- Many appreciated the institute's efforts in maintaining cleanliness and hygiene across the campus.

### **WEAKNESSES**

- Parents suggested improvements in the canteen food facilities.
- Requests were made for additional group discussions and debate competitions to further enhance student engagement.

### **OPPORTUNITIES**

- The institute's strong infrastructure and efficient teaching methodology remain key opportunities for continued growth.
- Industrial visits, practical exposure, and in-house workshops offer valuable learning opportunities for students.
- Expanding entrepreneurship support, including start-up guidance for students.
- More opportunities to build student creativity through competitions, exhibitions, and in-house showcases.

### **CHALLENGES**

- Ensuring regular parental participation in meetings for better attendance monitoring.

 C-56A/14 & 15, Sector-62  
 Noida- 201309

- Updating curriculum in line with fast-changing technology and industry needs.
- Balancing academic workload with extracurricular activities.
- Encouraging student responsibility for self-learning and time management.

#### **ACTIONS TAKEN**

- The institute has identified the need to enhance medical facilities, canteen services, and Wi-Fi connectivity.
- Steps have been initiated to improve Wi-Fi access, upgrade canteen food quality, and strengthen on-campus medical support for students.
- Upgrading library resources, adding new books, journals, and digital materials.
- Increasing safety measures, including more CCTV coverage and regular safety audits.
- Planning additional industrial visits and practical training sessions to improve industry exposure.
- Strengthening placement preparation through portfolio reviews, mock interviews, and resume workshops.
