SJMC students visit to Aaj Tak Channel

Noida, 6th May 2022 : SJMC students participated in "Hall Bol" Show today at AAJ TAK Studios at Sector 16 A, Noida. Students attended back to back three debate shows "Halla Bol" from 4:00 pm to 7:00 p.m hosted by Anjana Om Kashyap.

The topic of the first "Halla Bol" show was "the Ban on PFI & the riots of Rajasthan"

In which the debators were : " Gaurav Bhatia " National spokesperson of BJP, "Mukesh Sharma" spokesperson of Congress , "Dr Taslim Ahmed Rahmani" president of Muslim political Council of India and "Professor Avneesh Awasthi" a political analyst. All four tried their best to prove their points throughout. A student of 3rd year Gulista asked " when PFI will be banned and public will be staying in peace ?" Gaurav Bhatia answered that not only Central Government but state government of Rajasthan can also take the initiative to ban PFI which they are not doing.

Then the second question was asked by the student of 1st year Shivani as "Congress is not been able to make their government in other states except in Rajasthan and Chhattisgarh but still they are not able to maintain law and order why it is happening ?"

" In answer Mukesh Sharma replied that there was the hand of RSS behind the riots happening in our states. The show ended.

Then the next "Halla Bol" show started with the topic "Bulldozers running on encroachments" and speakers were "Shahzad Poonawala" national Spokesperson of BJP , " Radhika Khera " spokes person of Congress , "Professor Sangeet Ragi " a political analyst and " Haziq Khan" an Islamic Scholar. The debators fought well and when the audience were asked to question , a student from 1st year Harshita asked "Why the government waited for 8 years to run bulldozer on encroachments " Shahzad Poonawala replied that " The government is not waiting for the violence".

Then the 3rd show started which was live and here the Guests were Vijendra Gupta, BJP MLA in Delhi Assembly and Sanjeev Jha, AAP MLA in Delhi Assembly. Here the topic was "The arrest of Tijendra Singh Bagga".

The show ended at 7:00 pm and students headed back.

SJMC students celebrate "International Mother Language Day"

Noida, 21 February 2022: School of Journalism and Mass Communication under the aegis Satyam Fashion Institute, Sector 62, Noida celebrated International Mother Language Day today to promote linguistic and cultural diversity and multilingualism.

On February 21 every year, the world celebrates International Mother Language Day to promote linguistic and cultural diversity, as well as multilingualism. In 1999, the United Nations Educational, Scientific, and Cultural Organization (UNESCO) endorsed the notion of observing International Mother Language Day across the world every year on 21st February. Ms Charu Ahluwalia, Assistant Professor, SJMC initiated the program by speaking on the importance of the day. Ms Anshu Rajvanshi coordinated the program. Speaking on the roots and significance of International Mother Language Day Prof.(Dr.) M. Alam, Dean - SJMC said, "UNESCO believes that cultural and linguistic variety are important for sustainable society". He mentioned that language serves as a medium for connecting people to various social groups. He also said underlined that the UNESCO decision of 1999 allows us to converse in our native language productively. To commemorate this occasion, a competition was organised in which, students of SJMC (1st and 2nd year) from across the country participated and demonstrated their talent by singing, poetry recitation and delivering lectures in their mother language. Students learned about many cultures and languages including Telegu, Assamese, Bengali, Punjabi, Maithili, Oriya, Bhojpuri, Garhwali and other languages. Despite ignorance about the languages, students felt connected to one another. The winners were felicitated at the end of the program. The participants learnt that language is the most powerful instrument to connect people because it allows us to put our feelings and thoughts into our own words and languages. All efforts to promote and spread our mother languages will help to foster not only linguistic diversity and multilingual education, but also a greater understanding of linguistic and cultural traditions around the world as well as a spirit of solidarity based on mutual respect, tolerance and dialogue.

International Day for the Eradication of Poverty

School of Journalism and Mass Communication students participated in poster making competition on International Day for the Eradication of Poverty- observed globally on 17th October every year. The theme of International for the Eradication of Poverty in 2021 is **Building Forward Together: Ending Persistent Poverty, Respecting all People and our Planet**".

The day aims to raise awareness about the people who are struggling and living in poverty. It also finds ways to mitigate and eradicate poverty, acknowledge the effort and struggles of people living in poverty and give them a chance to be heard. Poverty is a violation of human rights and there is a need for people from across the world to come together to ensure that these rights are respected. Without achieving a poverty-free world, it is hard to imagine the development of humankind.
