Suggestions, If any:

14 responses

Please do help in getting the students to the industrial placements like internship

I would like to add some points.

1. More focus on digital softwares.
2. Need to improve internship & placement programs.
3. To ensure the piece of work created by the student is creative and authentic.

Lacking with print development/software/ skill which is in demand for a textile designer as well as digital portfolio development.

Placement should be better

Workshop of extra language

I believe I have learnt so much from this institute. Only suggestion I want to give that institute need to give focus on softwares more and basic use of Microsoft office especially MS excel.. And if possible need to add on some Trend research and forecast classes more, I mean they do give such classes but it's important for students to do that more often, For this they can add some more projects.

And one more thing college gives us illustration classes but need to more focus on flat sketches and detailing because this is very important in industry..

1. Excel should be taught in advanced level.
2. Specification sheet and technical sketches should be focused more.
3. Excel in photoshop, illustrator, Corel, Indesign etc graphics softwares.
4. Strong Focus in ResearchWork (Trends, Forecasting, boards, story etc)

Please the institute need to provide good equipments and practical computer knowledge to the textile students. For ex - good photoshop skills.

No

Need to introduce more technical knowledge and facilities in terms of designing which are currently required in the industry. Because even in India nowadays, the whole fashion industry is moving towards digitization.

should also need to look after trends and Forecasting, it is already there as a subject but I personally feel that there are something mission which need to be filled up so student can also get to know where is the industry going. Because of this pandemic situation things fashion is going through tremendous change and the concept of fashion is also change. So I personally thing, recent and forecasted updates for everyone in the education system is must, traditional knowledge won't work out alone.

13/15

Not Yet

Please try to give more designing software classes to the students

Like any other renowned institutes our college also has best talent for the industry , I think we should work on placements

All good

Feed Back Analysis & Interpretation
Alumni Satisfaction Survey Report (2021-2022)

An institutional survey for assessing alumni satisfaction has been conducted by Satyam Fashion Institute, Noida for the academic year 2021-2022.

The purpose of this survey is based on alumni input on the quality of education they received and the level of preparation they had at university. The purpose of this survey is to assess the quality of the academic program.

FEEDBACK ANALYSIS

This survey will help us to improve the quality of education and other academic program of the college.

STRENGTH

Most of the students are satisfied with the skills they acquired throughout the academic journey at SFI.

Alumni are satisfied with the knowledge they gained at the College and are able to apply them in professional world.

With the infrastructure and /Resources of the college they are well satisfied.

Alumni are satisfied the evaluation scheme designed for each of the courses throughout the academic year.

Alumni are well satisfied with the career opportunities provided by the College.

WEAKNESS

From the alumni satisfaction survey it was concluded that we need to work on more better medical facilities, wifi facilities in the campus. Moreover participation in conferences should be done at regular interval and psychological counselling should be done in the campus.

OPPORTUNITIES

Proper knowledge of subject both practical & theory is given to the students as they are able to apply them in their professional life .

Visits to industries are arranged from time to time for better exposure.

Action Taken Report of Alumni Satisfaction Survey

Based on the alumni satisfaction survey the following action has been initiated by the Satyam Fashion Institute, Noida .It is observed that mostly students are partially satisfied with the medical facilities of the college .So,we have decided to work on that with better wifi connectivity .Regular online alumni meetings will be conducted with our alumni .Moreover time to time conferences will be conducted and psychological counselling will be done in the college campus.
